TPH Hockey / Golf Camp

In this camp players will be given the opportunity to learn new skills in two sports and have some fun.

To start the day the players will be bused to Sawmill Creek Golf Resort where the kids will be introduced to basic golf skill development in putting, chipping, and the full swing. They will also cover fitness & health in golf such as fundamental movement skills, golf specific movement skills, and performance skills with focus on nutrition, environmental, and lifestyle aspects. They will learn about life skills in the game of golf such as focus, goal setting, sportsmanship, and teamwork and of course Golf 101 (safety, rules & etiquette, the course, equipment, and golf terms & lingo). Finally we'll introduce them to some light play and fun competition so that they are comfortable to participate comfortably with others in the game of golf.

After the golf is complete in the morning the players will be bused back to the Progressive Auto Sales Arena where they will take part in their on ice portion of the camp. During these sessions the players will be split into groups where they will learn proper technique in shooting, skating and puckhandling and will be challenged to use these skills in both small and large area drills. A portion of each on ice session will also be dedicated to competition and games.
