

RE-OPENING TO SPECTATORS PLAN

Beginning Saturday, October, 24, 2020

- People entering from the south entrance will enter the stands from the east lobby door.
- People entering from the north entrance will use the stairs on the west side of the stands.
- When in the stands, the people entering from the south must remain in the east side of the stands. People entering from the north must remain in the west side of the stands.
- When exiting the building, spectators must exit out the same door that they entered.
- It is the user groups responsibility to keep track of numbers. Numbers must not exceed 25 on ice, and 25 in the stands.
- User groups must supply a sign in sheet for parents/guardians.
- Spectators will not be permitted in the lobby.
- One parent/guardian in the stands per child on the ice.
- Outside food and drink is permitted but must use provided garbage and recycling.
- North spectators are to use the referees room washroom.
- The person working the door **MUST** remain at the door until all spectators and ice users have left.
- All spectators **MUST** use the stands. There is to be nobody standing around the ice surface.
- Spectators are not to enter the building until the previous user group has left.
